I would like one. I will stop by next Tuesday after school. If you can hold one that long.

Hello,

There will be no meetings of any kind in the month of November. We are swamped with bargaining and issues related to bargaining. Conferences for elementary and middle school are in November, too.

Tentatively I have scheduled meetings for December.

Executive Board: December 3 at 4:15 at the office.
Grievance Committee: December 10 at 4:00 at the office.
Governing Board: December 17 at 4:00 at Voc Tech, classrooms A & C.

Obama/Biden signs are available at the office on a first come basis. They are \$3.00 each. Call or send me an email if you are interested.
